

Certifikáty

V EcoStations klademe důraz na pravidelné vzdělávání, abychom klientům vždy nabízeli maximální odbornost.

Proto se pyšníme certifikáty od významné společnosti EVHA (European Ventilation Hygiene Association) – asociace, která celoevropsky zaštiťuje vzdělávání pracovníků v čištění vzduchotechniky.

Zárukou pro naše klienty tak mohou být níže uvedené certifikáty udělené našim proškoleným pracovníkům.
